RESPONSE TO OFFICE ACTION MAILED ON DECEMBER 04, 2002

Commissioner of Patents  
and Trademarks  
Washington, D.C. 20231

Sir:

Applicant hereby files this response to the second Official Office Action mailed December 4, 2002.

RESPONSE

Applicant thanks the Examiner for his thorough examination. In accordance to said examination results, applicant hereby submits the following changes to the application to place the application in condition for allowance. Applicant requests the above identified application be amended as follows:

In the claims, modify claim 1, delete claims 25 through 35, and add claims 36 through 41 as follows:

1. (twice amended) A mechanical toy wherein said toy comprises an automated non-cavitation bubble producing device connected to a non-bubble liquid emitting device, said bubble producing device and said liquid emitting device are adapted to be selectively operated either together or independently of each other and
